THE PRINCE AND THE PAUPER

Book Review by Nur

This story happened in London a long time ago. It is about two boys, Edward and Tom. The boys are the same age but they are very different. Edward is a prince and Tom is very poor.

Edward lives in a palace with his parents, the king and queen. His parents love him, but Edward isn't happy – he doesn't have any friends. Tom's life is very different. He lives in an old, dirty house. His father is cruel (אכזרי / قاسي), but Tom has lots of friends.

Edward and Tom meet at the beginning of the book. They see that they look the same. They have the same hair and eyes. The boys change places (מחליפים מקומות / يتبادلان الأماكن) because Edward wants to have friends and Tom wants to live in the palace. In the beginning, nobody knows and they have lots of adventures in their new homes. Then their problems begin.

I think that Mark Twain is a very good writer. I enjoyed this book because the story is interesting and exciting. We learn how different people live. Do you want to find out what happens at the end of the story? You can read the book and find out!

1. Why does Edward want to live in Tom's house?
2. Why do you think it's easy for the boys to change places?
3. Why does Nur like the book?

THE THREE MUSKETEERS

Book Review by Noam

This adventure story happened a long time ago. It is about a poor boy called d'Artagnan. He goes to Paris, France to meet the three musketeers. The three musketeers are friends. They live "all for one, and one for all"! At the beginning of the book, d'Artagnan and the musketeers are enemies (אויבים / أعداء). There is a lot of fighting (לחימה / قتال) in this book. This is my favorite kind of story. I like the parts with the fighting and the adventures. I recommend this book. There is also a 3D movie - it's great!
