Hi Rotem.

How are you? I am writing you from a café in London. I arrived here last monday and I'm having a great time! My cousin sam is showing me around the city. He doesn't speak hebrew, so we talk in english all the time. Tomorrow we are going to see a football match at the wembley Stadium.

Are you having a good summer in israel?

Bye for now. I'll see you when I get back in august.
