

Word Power

A 1 Answer the questions with the new words below. There are two extra words.

pollution a possibility a flashlight a flight electricity
energy an advantage a source save money an oven

1. What do you need to turn on a light? *electricity*
2. What is a trip on a plane called?
3. What is a problem in many big cities?
4. What don't you have when you are tired?
5. If one team is better than another, what does it have?
6. What do you need to bake a cake?
7. What can you use when there is no electricity?
8. What do you need to do when you want to buy something expensive?

2 Write sentences with the new words you did NOT use.

B

Choose two new words from below. Ask your partner to make a sentence with both of them. Then swap roles. Keep going until you have used all the words.

advertisement	distance	give up	power
as long as	drop (n)	in order to	provide
backpack	endless	item	run out
charger	energy	journey	sign
complete	event	pilot	turn to
direction	fuel	pollution	warn

pilot – distance

The pilot flew the plane a long distance.

C

Sometimes we add letters to the end of a word to change its meaning. These endings are called **suffixes**. The suffix **-ful** means *full of*. The suffix **-less** means *without*.

1 Translate the words below in your notebook. Use the Glossary on page 181 of the Workbook to help you.

- | | | | |
|-------------|------------|-------------|--------------|
| 1. homeless | 3. useless | 5. painless | 7. hopeless |
| 2. thankful | 4. helpful | 6. colorful | 8. beautiful |

2 Work with a partner. Think of as many words as you can that end with **-ful** or **-less**. Write the words on a piece of paper. Then make up a story using the words from your list.
